Όταν ο ύπνος γίνεται
εμπειρία,
λέγεται Beautyrest®

Ο ύπνος Beautyrest® δεν είναι προϊόν, είναι η μοναδική επαφή του επισκέπτη με την επένδυσή σας για 8 ώρες κάθε μέρα.

Ο επισκέπτης σας ξεκουράζεται πραγματικά, γιατί η διαφορά ανάμεσα σε έναν καλό ύπνο και έναν αξέχαστο είναι η υπογραφή Beautyrest®.

Είναι το σημείο όπου ο επισκέπτης θυμάται ότι κοιμήθηκε καλύτερα απ' το σπίτι του.

Ύπνος 5 αστέρων
Πολυτέλεια που
ενισχύει το brand

Η πολυτέλεια αυτή δεν είναι κόστος — είναι επένδυση στο prestige του brand σας.

Προσθέτει κύρος στο κατάλυμά σας και μεταφέρει μήνυμα εμπιστοσύνης.

Ο ύπνος γίνεται εμπειρία και η πολυτέλεια αποκτά νόημα μέσα από την ξεκούραση.

Το Beautyrest® δεν είναι δαπάνη.

Είναι στρατηγική επένδυση στη φήμη σας, τη διαφοροποίησή σας και την εμπειρία ύπνου που χτίζετε πιστότητα και που ο επισκέπτης θυμάται.

Η διαφορά που ο επισκέπτης νιώθει

Όλοι μπορούν να προσφέρουν ωραία διακόσμηση. Λίγοι μπορούν να προσφέρουν ύπνο που ο πελάτης θυμάται.

Αυτό κάνει το Beautyrest: μετατρέπει ένα δωμάτιο σε εμπειρία που αξίζει να ξαναζήσεις.

Ακόμα κι αν δεν είστε πεντάστερο ξενοδοχείο, το Beautyrest δίνει την αίσθηση των πέντε αστέρων.

Οι πελάτες το νιώθουν από την πρώτη νύχτα.

Ούτε σκληρό, ούτε μαλακό — έξυπνα ισορροπημένο για άνεση, στήριξη και αίσθηση πολυτέλειας.

Το Beautyrest® δεν είναι απλώς στρώμα — είναι εργαλείο εμπειρίας.

Ο ένας κινείται — ο άλλος συνεχίζει να κοιμάται.

Pocketed Coil® Technology

- Το στρώμα προσαρμόζεται στο σώμα, υποστηρίζει τη σπονδυλική στήλη και προσφέρει αίσθηση απόλυτης χαλάρωσης.
- Κάθε ελατήριο λειτουργεί ανεξάρτητα, εξαλείφοντας τη μεταφορά κίνησης.
- Απόλυτη στήριξη, ισορροπία και ηρεμία.

Η ενημέρωση του επισκέπτη μέσω της ιστοσελίδας σας ότι θα κοιμηθεί σε κρεβάτι Beautyrest® by Simmons ενισχύει περαιτέρω τη φήμη του ξενοδοχείου, αποδεικνύοντας έτσι ότι έχετε επενδύσει στην αδιαπραγμάτευτη πολυτέλεια ύπνου.

Επικοινωνήστε το με υπερηφάνεια στην ιστοσελίδα σας:

“Our rooms are equipped with Beautyrest® beds – the world’s most luxurious sleep experience.”

Δεν είναι διαθέσιμα σε καταστήματα λιανικής πώλησης καθώς προορίζονται για τον τομέα της φιλοξενίας.

Μεταφέρετε την πλούσια αίσθηση των κρεβατιών μας στο δικό σας σπίτι μετά το check out.

Για πληροφορίες απευθυνθείτε στην Reception του ξενοδοχείου ή στο HOSPITALITY AT HOME.

HOSPITALITY

Ο ύπνος Beautyrest® γίνεται μέρος της εμπειρίας του επισκέπτη, το πιο προσωπικό σημείο επαφής του brand με το ξενοδοχείο σας.

Δεν επενδύετε σε στρώμα, επενδύετε στον ύπνο των επισκεπτών σας.

Η πολυτέλεια που επιστρέφει πολλαπλά.

Η πολυτέλεια δεν τελειώνει όταν σβήνουν τα φώτα

Η παρουσία του Beautyrest® στο κατάλυμά σας ανεβάζει αυτόματα το κύρος του ξενοδοχείου και προσφέρει ένα δυνατό μήνυμα marketing:

Η πολυτέλεια δεν είναι κόστος, είναι επένδυση στο prestige του brand σας.

Απόδοση Επένδυσης (ROI):

- Καλύτερος ύπνος → Καλύτερα reviews → Περισσότερες κρατήσεις
- Αίσθηση πολυτέλειας → Υψηλότερη τιμή δωματίου
- Μακροχρόνια αντοχή → Λιγότερες αντικαταστάσεις

Η πολυτέλεια αυτή δεν εντυπωσιάζει μόνο — αποδίδει.

Η Four Seasons καταλαβαίνει καλύτερα από τον οποιοδήποτε ότι ένας ποιοτικός ύπνος οδηγεί σε ζωντάνια και ευεξία και όλα ξεκινούν με ένα πολυτελές και άνετο κρεβάτι.

Για αυτό τον λόγο η εταιρεία αφιέρωσε τα τελευταία 50 χρόνια σε συνεργασία με ειδικούς και με συμβούλους τους επισκέπτες της στην τελειοποίηση των στρωμάτων.

Τώρα, σε συνεργασία με την Simmons® Bedding Company, παγκοσμίως γνωστή για την ποιότητα της, η Four Seasons σας προσκαλεί να ζήσετε την μοναδική εμπειρία ύπνου με την τελευταία καινοτομία και τεχνολογία στην άνεση.

DESIGN THAT MATTERS

We are a leading company in Greece with over 40 years' experience in the contract market acting as procurement manager for a broad variety of clients throughout Greece, Cyprus and other European countries. From our base in Athens, our office is a hub for architects and designers where, together with our trained personnel, they can realize their design aspirations through the expansive range of exclusive materials and products we carry.

We place our clients at the heart of all our business operations, with the objective of responding professionally and efficiently to their needs. Our projects include 5 star hotels, ships, luxury yachts, commercial and industrial buildings, educational institutions and health facilities, museums and cultural centers.

Dedicated to excellence, we forge long lasting partnerships with leading brands with a selection of products that cater to all our clients' design, structural and functional needs together with quality of service that sets us apart from the competition.

Be it a new building or renovation, we are involved in projects from the outset and provide support and expertise from the specifying process to the procurement, delivery and installation - all within the clients' desired time schedule and budget restraints.

Products are selected as much as for their design appeal as for their performance, with particular care given to their suitability for contract situations and always supported with full technical documentation and certificates from worldwide standards organizations such as International Maritime Organization (IMO). Sensitive to energy saving and environmental issues, our company endorses products that are eco-friendly and recyclable.

With a keen eye on global design and technological trends we are constantly searching and sourcing products that offer practical and forward design solutions for our demanding clientele. Innovative architectural materials, indoor/outdoor furniture, luxury hotel beds, linen and accessories, wall coverings, fabrics, flooring, carpets and rugs, all make up our comprehensive range, details of which can be viewed in our website.
